From Concept To Reality

Kit Accessories

Drapes

Drapes in a wide range of fabrics and colours can be made to suit the kit and your requirements.

From wool and velvet to sheer curtain-ing that will allow for special effects, it is easy to extend the versatility of the BTS Drape Support Kit.

BTS Shot Bags & Carry Bag

Resilient and weather-proof, our shot bags are the ideal support for the BTS Drape Kit. Available in various colours and weights and manufactured from heavy duty, ripstop vinyl.

Also available is the customised carry bag – will hold all the kit components and make transporting easy.
